

**Ponte Vista Open House**  
**Thursday, March 12 between 4:00 PM – 8:00 PM**  
**Peck Park Auditorium**

You are cordially invited to share your thoughts at the upcoming Ponte Vista Informational Open House scheduled for Thursday, March 12, 2009 at the Peck Park Auditorium. Drop by anytime between 4 PM – 8 PM and spend time reviewing graphics and informational presentation boards. You will have the opportunity to make comments at a series of information “stations” set up around the auditorium.

The Peck Park auditorium is located at 560 N. Western Avenue in San Pedro and there is plenty of parking available. Refreshments and light snacks will be provided.

Following a change in management, DLJ Real Estate Capital Partners has combined information learned through the public process over the last several years with the most recent round of community interviews and small group meetings conducted in February to rethink the overall scale, makeup and density of the project.

The purpose of the open house is two fold: 1) provide project history and background and 2) receive additional community feedback regarding new, emerging directions that the development team is proposing.

We hope you can join us on March 12 and tell us what you think about the emerging directions for the Ponte Vista Residential Community.

Please contact the Community Outreach team should you have any further questions at (310) 241-0699. See you on March 12th!
